## ADRIAN COLLEGE

To Whom It May Concern,

It is with great pleasure that I write this letter of recommendation for Chandler Brown. I have had the opportunity to observe Chandler, at Tecumseh High School, on a weekly basis from September through November.

Chandler presents herself as a poised, mature, confident teacher. Her effective lessons are thoughtfully prepared, well organized, and designed to enhance student engagement. She embraces the use of technology and educational programs, and incorporates these with best practice teaching strategies. Notable classroom management skills and smooth transitions create an orderly and efficient environment. Chandler displays an impressive knowledge of content area, in English and health education. Students are challenged to critically think during classroom discussions and meaningful assignments,

Chandler has earned the respect of Tecumseh students, teachers, and administrators. She has outstanding rapport, with the team of teachers she collaborates with on a daily basis. I would strongly encourage you to give serious consideration to this prospective teacher. She would be an asset to a school district, looking to hire a dynamic English/ELA teacher, or an enthusiast health educator. I have no doubt that she will be an outstanding teacher, and I highly recommend her for a teaching opportunity in your district.
