

November 14, 2018

To whom it may concern,

I have known and worked with Chandler Brown over the course of the 2018 fall semester. Chandler served as a 9th grade English Language Arts student teacher at Tecumseh High School and is tremendous in the classroom. Although I have not known her long, I think I can speak accurately to Chandler's character and work ethic. She has proven to be a competent, focused, and student-centered teacher.

I got the unique opportunity to work with Chandler as part of a fully integrated, project-based 9th grade team and in a very short time, Chandler was able to fully immerse herself into the team dynamic and provide valuable suggestions and positive energy. In addition to working as part of a team, Chandler was able to capture the attention of her students and motivate even the most challenging group of kids. Chandler delivers rigorous, standards-based content in an authentic manner that allows students to relate and respond in thoughtful and creative ways. Chandler truly enjoys her students and the teaching profession as evidenced by her classroom environment and student success.

Furthermore, Chandler is an extraordinary person with true talent and it has been clear that she goes above and beyond what is expected of her. It is in high regards that I write this letter of recommendation for Chandler as she pursues opportunities to share her passion for education. With her experience in the classroom and dedication to the constant improvement regarding student success, you will find Chandler to be an asset to any school.

Please feel free to contact me for any future references/considerations regarding Chandler Brown.

Sincerely,

Rebecca Harwood
9th Grade English Teacher
Tecumseh High School
